

Alabama Herb Society

Promoting knowledge,
use and enjoyment of herbs.

Join Today!

About Us: The Alabama Herb Society is a volunteer organization that began in 1996. Our purpose is to promote the study, growth, and use of herbs in an enjoyable and friendly atmosphere. Programs during the monthly meetings range from historical use of herbs, their medicinal properties, how to make your dishes more flavorful with the use of herbs, educational lectures on research, and how to plant and grow herbs. Many of the programs are hands-on!

AHS members:

- Plant and maintain a culinary herb garden at the Alabama's Governor's Mansion and other public gardens in Montgomery.
- Share knowledge and experience of its members with the community: schools, church groups, public garden groups, and garden clubs.
- Sponsor Herb Day annually.
- Sponsor an annual Scarecrows fall event.

Meetings: The regular monthly meetings are held the third Tuesday of the month (except December) at 6:00 p.m. at the Crump Community Center, 1751 Cong W L Dickinson Dr, Montgomery, AL 36107, in Room 2.
