### To Our Sponsors:

The Alabama Herb Society (AHS) invites your support for our annual Herb Day on April 18, 2020 (8:00 AM to 3:00 PM) which will be held at Grace Presbyterian, Bell Road and Atlanta Hwy., Montgomery Alabama.

On this, our 23rd annual Herb Day, our Sponsors will be recognized during educational lectures, their names displayed prominently throughout the event, your business will be added to our multimedia advertisement campaign, which reached over 20,000 viewers. Last year we handed out hundreds of advertising fliers and media for Sponsors. Your financial support enables our volunteer members to carry out numerous educational activities focused on the value and joy of growing and using herbs. In addition, your support will help us in maintaining herb gardens at the Governor's mansion and the building of other herb gardens in the city for the public to enjoy.

Herb Day, an important cultural attraction, is an asset to the continuing development of the City of Montgomery. Our fun-filled public educational event for the entire family will feature live music, children's activities, three programs with herbal experts on growing herbs, a cooking demonstration using herbs and a session that explores the medicinal properties of herbs. An open-air market will feature vendors who sell crafts, books, food, herbal teas, garden wares and a huge selection of herbs and plants. With an attendance of over 1000 happy shoppers, Herb Day last year was a big success.

Please complete the enclosed sponsorship form and enclose your sponsorship donation. Alabama Herb Society has a nonprofit 501 (c) (3) status and your sponsorship will be a tax deduction under IRC Section 170 and our information will be furnished to you upon your request.

Thank you for supporting the Alabama Herb Society as we share our knowledge and experience with the many current and aspiring gardeners, herbalists, and cooks of Montgomery and Central Alabama.

COME SPEND HERB DAY WITH US IN THE BEAUTIFUL SURROUNDINGS OF SPRING UNDER THE LOVELY SHADE TREES OF GRACE PRESBYTERIAN CHURCH.

Sincerely,

# Alabama Herb Society
