Last Herb Day we had over a thousand attendees in our new open-air location. Our expanded social media advertising reached over 20,000 Gardening and Herb Loving friends with a large number responding. Our multi-media advertising campaign, plus the very public venue, created a heavy traffic flow of shoppers. WOW! What a day! You really will want to be there on Herb Day, April 18th, 2020.

Our goal is to promote the knowledge, use, and the enjoyment of Herbs. Expert speakers, gardeners and craft exhibitors will be on hand to answer questions. AHS revenues from this event are used to fund our community projects, which include the culinary herb garden at the Governors' Mansion, speakers for groups/classes, fall Scarecrow event and the Annual Herb Day Festival.

Please see the attached Vendor/Exhibitor Application for general information which can also be seen on our website or Facebook page. (See Above)
